

THE UNIVERSITY OF IOWA

Academic Plan of Study Form

Return to: Nancy Schneider, Director of Student Development & Scholarships, College of Engineering, 3124 SC

FROM: _____, ID# _____
E-mail _____
Advisor: _____, Dept. _____

Deadline Date: Monday, January 28 before 5PM to 3124 SC.

I met with my advisor regarding my progress toward my degree. I propose the following study plan for the Spring Semester 2008. (semester) (year)

Table with 3 columns: Course, Course Title, Sem. Hours. Multiple rows for listing courses.

My advisor approves this study plan to help me achieve a semester GPA that will raise my UI GPA to/or above the GPA required for good standing. GPA requirements by classification are as follows:

E1 (0-29 sh): 1.80 • E2 (30-59 sh): 1.90 • E3 (60-89 sh): 1.95 • E4 (90+ sh): 2.0

I have earned _____ sh toward my engineering degree. (Hours earned listed on most recent DELI.)

**If your current UI cumulative GPA is equal to or above the minimum required

for your classification requirements, you DO NOT need to do the calculation below:

(Hours earned, points, and UI cumulative GPA may be found listed on the bottom left of your transcript.)

Calculation template for UI cumulative GPA: # hrs. earned / # hrs. registered = (answer #1), (answer #1) x min. classification GPA = (answer #2), (answer #2) / # pts. = (answer #3), (answer #3) / # hrs. registered = SEMESTER GPA REQUIRED

My thoughts and feelings on my last semester: _____
