If denial, reason for denial: _____

The University of Iowa requests this information for the purpose of possible course credit. No persons outside the University are routinely provided this information, except for items of directory information such as name and local address. Responses to items marked "optional" are optional; responses to all other items are required. If you fail to provide the required information, the University may not be able to process your request.

Return form to Megan Allen, 3124 SC, when finished. Thank you
