General Charge
The Teaching Committee shall be responsible for all matters relating to evaluation and improvement of the quality of instruction in the college, and for making appropriate recommendations to the dean and the faculty.

Specific Charges
1. Review nominations and recommend a faculty member for the College of Engineering Teaching Award.

2. Review nominations and recommend nominees from the College of Engineering for the President & Provost Award for Teaching Excellence.

3. Evaluate the ACE and CGA completion rates and recommend changes to (and if possible, new ideas for) the implementation of the surveys.

4. Collaborate with the Dean’s office to explore creating a workshop that students can use for projects related to their class work or student organization activities. Develop relevant policies for administration and use of such a workshop.

5. Evaluate the need for additional courses and collaborations for energy related EFAs.

6. Recommend specific charges for the 2008-09 Teaching Committee.
