Engineering Faculty Council 2014-2015  
Meeting No. 20, Mar. 10, 2015  
Draft Minutes

Present: Profs. Andersen, Arora, Dasgupta(chair), Dove, Rethwisch; Dean Hornbuckle  
Visitor: Prof. Weber

1. Prof. Dasgupta called the meeting to order at 2:20 pm.

2. The EFC received a question from the Teaching Committee regarding their charge related to determining the adequacy of TA support. Following discussion, the EFC decided to provide guidance to the Teaching Committee that instead of pursuing an exhaustive investigation of the adequacy, that they focus on documenting the level of TA support and consider drafting a charge to next year's committee about how to answer their question.

3. Prof. Weber met with the EFC as the only CoE faculty member on the Presidential Search Committee. He indicated that the first meeting of the Committee would be Mar. 25, and he didn't expect to have a charge before then. He further indicated his willingness to interact with EFC as much as possible throughout the search process. Discussion between the EFC and Prof. Weber centered around questions that he should pose to potential candidates.

4. A brief discussion was held with Dean Hornbuckle regarding implementation details for the new ACE survey software.

5. The meeting was adjourned at 3:25 pm.
