1. Replace the text of the fifth bullet point under Principles beginning and ending with:

   - Unless situation changes dramatically... entire duration of the project

With the following text:

   - The research credit may be changed at any time, at the request of the PIs on the proposal or grant.

2. Delete the underlined text from the second sub-bullet point under the sixth bullet point:

   o Weighting the overall expended sum by the research credit % as specified at the time of grant proposal submission
