Notes:
Number in parentheses after the course number indicates the number of credits.
Heavy outline indicates that course is offered only once per year in the indicated semester.
Systems Elective can include IE:4550, IE:3149, IE:4172, or ENGR:2730. Alternatively, students can take a 6000 level Industrial Engineering course (3 sh), with the permission of the instructor, to fulfill this Systems Elective requirement.
