Advisor: ___________________ Dept: ___________ EFA:

I propose the following course selection for the Fall Semester 2015.

<table>
<thead>
<tr>
<th>Course</th>
<th>Course Title</th>
<th>Sem. Hours</th>
</tr>
</thead>
</table>

Attach the following to this form:

Several paragraphs explaining the Obstacles/ Barriers to your success during the spring semester

Several paragraphs explaining your Proposed Study Plan for improvement for fall, list specific actions/changes you will make

Desired Results- The College of Engineering expects that given this second chance at success, you will attain the required minimum GPA listed to return to good standing and maintain good standing through graduation.

Guidelines- Deadline to change registration without a W is September 4; Check on ISIS for low grade notice about October 23; Deadline to drop an individual course is November 2; Deadline to totally withdraw entire fall semester registration is November 16.
Resources - The College of Engineering expects that you will utilize the various resources including Instructors, TAs, Tutoring program for lower level engineering course assistance and consult regularly with your Faculty Advisor.

Accountability - Monitor yourself against a minimum grade of C or better on all feedback from class: homework, quizzes, labs, exams, papers, etc.

Consequences - Positive: improve grades, GPA and return to good standing.
Negative: Dismissal from the College and the University. Your registration will be restricted for one calendar year at The University of Iowa.

GPA requirements to be in good standing by classification are as follows:

**Earn a 2.0 Semester GPA & UI GPA**

(Hours earned, points, and UI cumulative GPA may be found listed on the bottom left of your transcript.)

**Calculation below only required if UI GPA below 2.0**

\[
\begin{align*}
\text{# hrs. earned} & \quad \text{# pts.} & \quad \text{**UI cum. GPA} \\
\text{# hrs. earned} & \quad \text{+} & \quad \text{# hrs. registered} & \quad = & \quad \text{(answer #1)} \\
\text{# hrs. registered} & \quad \text{x} & \quad \text{min. classification GPA} & \quad = & \quad \text{(answer #2)} \\
\text{# hrs. registered} & \quad \text{-} & \quad \text{# pts.} & \quad = & \quad \text{(answer #3)} \\
\text{# hrs. registered} & \quad \text{+} & \quad \text{# hrs. registered} & \quad = & \quad \text{SEMESTER GPA REQUIRED}
\end{align*}
\]

Nancy Schneider, Director of Academic Advising and Retention
