Members
Pablo Carrica (Chair)  Term Expiring  May 2012
Soura Dasgupta  May 2013
Edwin Dove  May 2014
William Eichinger  May 2012
Eric Nuxoll  May 2013
Dean Keri Hornbuckle, ex officio nonvoting

Student representative, nonvoting: To be appointed

General Charge

The Curriculum Committee shall be responsible for reviewing and evaluating all existing and any proposed curricula within the college, for reviewing and evaluating all existing and any proposed courses taught within the college or required in any of its curricula, and for making appropriate recommendations to the dean and the faculty.

Specific Charges

1. Review Course Activity Reports (CAR) for the College of Engineering core curriculum courses (59: xxx & non-college courses) in coordination with the core course coordinators. Include an analysis of the format and the level of detail that should be required in the CARs. If specific problems need addressing, either with the overall process or with individual courses, report these to the EFC.

2. Continue to monitor course quality for the math, physics and chemistry courses in the College of Engineering Curriculum.

3. Work with the reformed Leadership, Ethics, and Professionalism (LEAP) committee to implement the recommended strategies within the College Core Course Curriculum. Continue monitoring the results of the strategies for sustainability and effectiveness of the initiative.

4. Recommend ways to promote and increase student participation in the College of Engineering Honors Program.

5. Monitor progress of the implementation of the machine shop for students.
