Charges to P&T Committee

General Charge

The promotion and Tenure Committee shall be responsible for reviewing and evaluating the criteria for and the appropriateness of all recommendations concerning faculty promotions, tenure, and new appointments in the college and for making such recommendations to the dean and the faculty as it deems necessary.

Specific Charges

1. Review the written guidance and/or checklist for the P&T process currently provided by the college and suggest possible improvements. See the guideline provided by CLAS which appears to be more comprehensive and evaluate if changes are required in the CoE guidelines.

2. Review the procedures adopted in the past five years for post-tenure review of faculty. Are reviews being performed by all departments and are the procedures consistent?

4. Recommend specific charges for the 2011-12 P&T Committee.
