I propose the following course selection for the Spring Semester 2018.

<table>
<thead>
<tr>
<th>Course</th>
<th>Course Title</th>
<th>Sem. Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Desired Results - The College of Engineering expects that given this second chance at success, you will attain the required minimum GPA listed to return to good standing and maintain good standing through graduation.

Guidelines - Deadline to change registration without a W is January 29; check on ISIS for low grade notice about March 23. **Deadline to drop an individual course is April 2**; deadline to totally withdraw entire spring semester registration is April 16.

Resources - The College of Engineering expects that you will utilize the various resources including Instructors, TAs, Tutoring program for lower level engineering course assistance and consult regularly with your Faculty Advisor… https://tutor.uiowa.edu/

Accountability - Monitor yourself against a minimum grade of C or better on all feedback from class: homework, quizzes, labs, exams, papers, etc.

Consequences - Positive: improve grades, GPA and return to good standing.
Negative: Dismissal from the College and the University. Your registration will be restricted for one calendar year at The University of Iowa.
GPA requirements to be in good standing by classification are as follows:

**Earn a 2.0 Semester GPA & UI GPA**

(Hours earned, points, and UI cumulative GPA may be found listed on the bottom left of your transcript.)

**Calculation below only required if UI GPA below 2.0**

```
# hrs. earned  # pts.  **UI cum. GPA**
# hrs. earned + # hrs. registered = (answer #1)
(answer #1) x min. classification GPA = (answer #2)
(answer #2) - # pts. = (answer #3)
(answer #3) + # hrs. registered = SEMESTER GPA REQUIRED
```

Nancy Schneider, Director of Academic Advising and Retention

Student, Date

**Attach the following to this form:**

Several paragraphs explaining the **Obstacles/Barriers** to your success during the **Fall** semester:

What can I learn from this experience?

What should I have done differently?

How can I acquire or improve required skills?

Who can I learn from?

What will I do next?
