BYLAWS

ARTICLE I. NAME

The name of this Board shall be the University of Iowa Engineering Graduates Of the Last Decade (hereinafter referred to as the eGOLD Board).

ARTICLE II. BACKGROUND

The University of Iowa College of Engineering Young Alumni Advisory Board (YAAB) began in 2007. The name of the Board was changed to UI Engineering Graduates of the Last Decade, or eGOLD, Board.

The eGOLD Board aims to reconnect, re-engage, and encourage lifelong support from our recent engineering alumni. The Board strengthens relationships with recent graduates and encourages their continued involvement in support of the College via programs, events, and communications geared toward their interests. Further, Board Members give counsel to the College on matters of concern to recent alumni and provide guidance from a recent alumni perspective. The eGOLD Board Members serve as ambassadors of the College through their leadership, enabling the College to connect more meaningfully with its recent graduates across the country and throughout the world.
