Engineers for a Sustainable World: www.uiesw.org

ESW is an action-oriented organization focused on networking students and professionals in technical modes for advancing our society's approach to sustainability. ESW mobilizes engineers through education, collaboration and practical action. ESW includes over 20 chapters at universities across the United States, as well as a network of over 4000 individuals interested in sustainability.

Institute of Industrial Engineers (IIE): www.engineering.uiowa.edu/~iie

IIE is the world's largest professional membership society, consisting of over 50,000 members worldwide, dedicated to the support of the industrial engineering profession and individuals involved with improving quality and productivity. The purpose of IIE is to provide leadership in developing industrial engineering; in representing the industrial engineering profession; and in enhancing the capabilities of those who are involved in the application, education, training, research or development of industrial engineering.

National Organization for the Professional Advancement of Black Chemists and Chemical Engineers (NOBCChE): www.nobcche.org

Promoting the advancement of minorities in science, technology, engineering, and mathematics.

National Society of Black Engineers (NSBE): www.engineering.uiowa.edu/~ui_nsbe

The Iowa Chapter of NSBE works to increase the number of culturally responsible Black Engineers who excel academically, succeed professionally and positively impact the community.

Society of Women Engineers (SWE): www.engineering.uiowa.edu/~swe

The University of Iowa Society of Women Engineers (SWE) Section is dedicated to supporting undergraduate women in engineering. This is done by creating a network consisting of fellow engineering students and professionals. We are an active group with many events and activities. Please see our website or email us at swe@engineering.uiowa.edu for more details. The University of Iowa Chapter of SWE is part of Region H of the national organization of the Society of Women Engineers.

Women in Science & Engineering (WISE) Ambassadors: www.uiowa.edu/~wise

WISE Ambassadors is a community of undergraduate and graduate women pursuing science, technology, engineering, and math (STEM) majors. We organize K-12 and community outreach activities, plan professional development opportunities, and provide service to local organizations. We're a student-run group that receives support through WISE - we create our own experiences and opportunities!

Theta Tau Professional Engineering Fraternity: www.engineering.uiowa.edu/~omicron

Theta Tau is the oldest, largest, and foremost Fraternity for Engineers. Since its founding at the University of Minnesota in 1904, over 30,000 have been initiated over the years. With emphasis on quality and a strong fraternal bond, the Fraternity has chapters only at ABET accredited schools and limits the number of student members in any one of its chapters across the nation.

Acciona Windpower
601 Fawcett Drive // West Branch, IA 52358
www.accionan.com

Following our Develop-Build-Operate business model, ACCIONA contributes to the complete value chain of wind energy creation for superior performance and shareholder value. From development, design, manufacturing and installation of wind turbines to operating and maintaining wind farms, ACCIONA takes the lead. Globally, ACCIONA is ranked among the leading wind energy developers, with more than 9,450 MW installed. We are positioning ourselves to lead in these areas in the North American market as well.

ACCIONA has ownership in nine operational wind farms in North America, totaling 477.25 megawatts (MW) in the U.S., 181 MW in Canada, and 462 MW in Mexico. ACCIONA has a targeted development pipeline throughout North America, which includes wind projects in the upper-Midwest, the Southwest and along the East and West coasts of the United States, along with projects in the Canadian Maritimes and central Canada regions.

**Majors:** Electrical & Computer - Mechanical  
**Position Type:** Full-time

Aerotek
1007 Longfellow Drive // Hiawatha, IA 52233
www.aerotek.com

Aerotek is the largest US provider of technical and engineering staffing. We specialize in partnering with companies in Iowa and around the country to place qualified candidates with them. Industries we specialize in include automotive, civil, geotechnical, aviation, aerospace and defense, consumer and industrial products and medical device.

**Majors:** Biomedical - Chemical - Civil & Environmental - Electrical & Computer - Industrial – Mechanical – Computer Science  
**Position Type:** Full-time – Co-op - Internships

Air Force ROTC
3631 Forest Park Ave // St. Louis, MO 63043
www.afrotc.com

Air Force ROTC is a college program offered at more than 1000 campuses across the country that prepares young men and women to become leaders in the Air Force. But it's also so much more. You will grow as an individual both mentally and physically while developing lifelong friendships. It's an opportunity to acquire strong leadership skills that will benefit you as an Air Force officer and in corporate America. And it's an opportunity to pay for school through scholarships. Plus unlike many college students, you'll have a position waiting for you after graduation at one of the top high-tech organizations in the world - the U.S. Air Force.

**Majors:** Biomedical - Chemical - Civil & Environmental - Electrical & Computer - Industrial – Mechanical – Computer Science  
**Position Type:** Full-time
Amazon
440 Terry Ave N // Seattle, WA 98109
www.amazon.com

Amazon... a place where builders can build. We hire the world's brightest minds and offer them an environment in which they can invent and innovate to improve the experience for our customers. We want you to help share and shape our mission to be Earth's most customer-centric company. Amazon's evolution from Web site to e-commerce partner to development platform is driven by the spirit of invention that is part of our DNA.

**Majors:** Electrical & Computer - Computer Science  
**Position Type:** Full-time - Internships

---

Braun Intertec
11001 Hampshire Ave. S. // Bloomington, MN 55438
www.braunintertec.com

Braun Intertec offers comprehensive consulting and testing services around the world. We assist public and private organizations with site evaluations, site preparation recommendation and construction support services. Over the years, Braun Intertec has built a comprehensive scope of services including environmental consulting, geotechnical engineering, testing, special inspections, and facilities evaluations.

**Majors:** Civil & Environmental
