

University Honors Program, *Engineering Alternative*

Engineering Community Engagement Experience Verification

This form may be used to verify completion of *Engineering Community Engagement Experiences*.

- ✓ **Step 1:** Complete this form (*one form per experience*).
- ✓ **Step 2:** Print and submit completed form (with appropriate signatures) to the University Honors Program, 420 Blank Honors Center (BHC).

Students may apply a maximum of 10 credits total from all these experiences, no more than 4 from a single area. Each experience listed below counts as 2 honors credits per semester:

Engineering Community Engagement Experience	Supervisor Information (for required signature below)
A leadership experience in an Engineering student organization	Kelli Delfosse
Engineering Teaching Assistant (TA)	The instructor of the course
Hanson Center for Technical Communication Peer Consultant	Scott Coffel
Engineering Tutor	Josh Atcher
Engineering Student Ambassador	Jane Dorman
Engineering Peer Advisor	Anat Levtoy
