HOW SUCCESSFUL IS MESA TUTORING
MESA tutoring has been successful connecting with the students. Success depends on the students themselves. The tutors motivate the students and assist them in their learning. Many of our past students have seen increases in their grades and confidence.

HOW DOES MESA TUTORING ACHIEVE SUCH PHENOMENAL RESULTS?
The results of the program can be attributed to the hard work and dedication of the students, their parents and the tutors. Our tutors work with individual students when possible. The focus of the program is to teach the students how to understand what they are doing instead of focusing on the answer.

2017-2018 SCHEDULE
6:00 - 8:00 p.m.

*WEDNESDAY EVENINGS*

Monday, September 11, 2017
Family Orientation, 6:00pm, SC1505

September: 20
October: 04, 18
November: 01, 08, 15, 29
December: 06
January: 24, 31
February: 07, 21, 28
March: 07, 21, 28
April: 04, 11, 18, 25
May: 02 (End of year celebration)
WHAT IS MESA TUTORING?
The MESA Tutoring Program is a service for students traditionally underrepresented in STEM fields who request additional support with coursework. Our program is designed to help kids in grades 5-12 develop good study habits, and receive mentoring and support. Even if your child is an excellent student, establishing good study skills early will make an impact in schoolwork. Students can get help with specific subject areas (Mathematics, English, Science, and Social Sciences) or with general study skills such as homework management, organization, and test preparation. MESA Tutoring is hosted by the Multi-Ethnic Engineering and Science Association (MESA) and partners with other student organizations. The program collaborates with the Iowa City Community School District (ICCSD). The program is coordinated and funded by the College of Engineering, Outreach, Admissions, Scholarships and Inclusion Services (OASIS) program. Additional support comes from the Chief Diversity Office.

WHAT SUBJECTS DO MESA TUTORS OFFER HELP WITH?

**MATHEMATICS**
- Algebra
- Geometry
- Trigonometry
- Calculus
- Statistics

**ENGLISH**
- Reading
- Phonics
- Grammar
- Composition
- Creative Writing

**SCIENCES**
- Biology
- Chemistry
- Physics

**SOCIAL SCIENCES**
- History
- Geography
- Economics

WHERE IS MESA TUTORING HELD?
The University of Iowa, College of Engineering in the Seamans Center

HOW DO I ENROLL MY CHILD?
https://k-12.engineering.uiowa.edu

Contact Tracy Peterson, Director, Diversity Programs and K-12 Outreach, University of Iowa, College of Engineering 319-335-5776 or tracy-peterson@uiowa.edu

THERE IS NO COST TO ATTEND

HOW DO STUDENTS BENEFIT FROM THE MESA TUTORING PROGRAM?
- Discover their learning style
- Exposure to college environment
- Critical review and constructive criticism of their work
- Build confidence in their work
- Develop self-discipline
- Offers a support system

WHO TUTORS FOR THE MESA TUTORING PROGRAM?
- Undergraduate and graduate students, and faculty and staff from the University of Iowa.
- All tutors have experience in a wide variety of subject matter but are usually math and science scholars.

WHAT GRADES CAN ATTEND MESA TUTORING?
- Students in grades 5-12
